31st May, Charles preach on the theme of laying firm foundations, from Luke 6.46-49, the parable of the wise and foolish men. Charles said that there are two types of foundations.
1) The shallow, which is laziness, not being bothered, wavering between opinions and ignoring the words of Jesus.

2) The foundations that are dug deep. They require hard work. Like marriage they need to be worked at. Jesus is the rock on whom we need to build. Building on His teaching: Loving our enemies; not judging; Generosity; Asking & trusting; Prayer & fasting; The treasure of heaven; Not worrying.
The challenge is: are we building on rock or sand?
