

God's Word to us last month

Joel Tomlinson 01-02-09
Joel spoke about the need for us all to be prepared to come before the Lord Jesus. Jesus spent time alone with the Father being prepared for

service. He also spoke about some of the things that hinder us from coming before God, such as pride and disobedience. He challenged us to remember the promises we have made to God and the need to have a personal relationship with Jesus.

Bob Allen 08-02-09
Bob continued with his series on the Secret of Happiness, teaching from Matthew 4.4. His main points were:
1. The Universality of sorrow, which brings a loss of personal peace and is a part of this fallen world.
2) Responding to Sorrow by surrendering our self to Jesus in praise.
3). God's activity in sorrow. He brings us comfort, builds our character and restores us.

Congratulations to Ben Tomlinson (photo on right) on learning to ride his bike without stabilizers, With only a few bumps and bruises. That quite an achievement for a 5 ½ year old. Well done.

Charles Claydon 22-02-09

Charles continued with the study of Elijah, again looking at the widow of Zarephath. The theme was: Seeing the things that cannot be seen.

- 1) The widow heard God say one thing, but her experience was the opposite. Charles said that realism is a fierce opponent of faith.
- 2.) God's word expands Faith.
- 3.) She was in that place where survival depended on God.
- 4.) Her mind was transformed by her encounter with God. As Jesus transforms our minds our attitudes are redefined to conform to Jesus.
